#### § 50.30–1 General instructions for completing MSHA Form 7000–2.

(a) *MSHA I.D. Number* is the 7-digit number assigned to the mine operation by MSHA. Any questions regarding the appropriate I.D. number to use should be directed to your local MSHA Health and Safety District or Subdistrict Office.

(b) *Calendar Quarter*: First quarter is January, February, and March. Second quarter is April, May, and June. Third quarter is July, August, and September. Fourth quarter is October, November, and December.

(c) *County* is the name of the county, borough, or independent city in which the operation is located.

(d) *Operation Name* is the specific name of the mine or plant to which the

MSHA I.D. number was assigned and for which the quarterly employment report is being submitted.

(e) *Company Name* is the name of the operating company that this report pertains to.

(f) *Mailing Address* is the address of the mine office where the quarterly employment report is to be retained. This should be as near the operation as possible.

(g) *Employment, Employee Hours, and Coal Production*—(1) *Operation Sub-Unit*:

(i) *Underground Mine*: Report data for your underground workers on the first line. If you have personnel working at the surface of your underground mine, report data for those persons on the second line;

(ii) *Surface Mine (Including Shops and Yards)*: Report on the appropriate line, employment and coal production for the mining operation. For surface mining sub-units 03, 04, 05 and 06, include all work associated with shops and yards;

(iii) *Mill Operations, Preparation Plants, Breakers*: Report data on all persons employed at your milling (crushing, sizing, grinding, concentrating, etc.) operation, preparation plant, or breaker, including those working in associated shops and yards. (Do not include personnel reported in shops and yards associated with other sub-units.);

(iv) *Office*: Include in this category employees who work principally at the mine or preparation facility office.

(2) *Average number of persons working during quarter*: Show the average number of employees on the payroll during all active periods in the quarter. Include all classes of employees (supervisory, professional, technical proprietors, owners, operators, partners, and service personnel) on your payroll, full or part-time. Report Each Employee Under One Activity Only. For example: If one or more persons work both in the mine and the mill, report these employees under the activity where they spend most of their time. If necessary, estimate for the major activity. The average number may be computed by adding together the number of employees working during each pay period and then dividing by the number of pay periods. Do not include pay periods where
